

Rohan Nakte

Digital Marketing Professional

Data-obsessed digital marketer with **5+ years** of building and optimising high-converting campaigns. Specialising in turning analytics into action - whether it's squeezing more ROI from ad budgets, crafting persuasive copy that converts, or building sales funnels that actually work. Hands-on with GA4, Meta/Google Ads, and marketing tech stacks to track what matters and scale what works.

EXPERIENCE

Unstitched
Digital Marketing Manager
JUL 2024 - PRESENT

- Built and monitored end-to-end sales funnels using GTM, CRM tool with GA4 event tracking, increasing lead-to-customer conversion by **25%** and fixing **60%** of attribution gaps for sharper budget decisions.
- Used regression analysis to isolate top-performing variables (creative, audience, timing), restructuring ad strategies to achieve 30% higher sales at **15%** lower CPA.
- Led, mentored, and managed a high-performing marketing team, fostering a collaborative and results-driven work environment.
- Partnered with sales teams to create performance-marketing-led pitches, winning 3 new clients worth **₹60L+** in annual revenue.

Cryptic Intel
Sr. Digital Marketing Specialist
